HP Poly Studio X32

Product Brief

Enhance the meeting experience in small rooms with HP Poly Studio X32, featuring advanced AV technology and built-in video conferencing apps.

Deliver an inclusive meeting experience

When everyone feels seen and heard, ideas flourish—even in small rooms. HP Poly audio and video innovations deliver an immersive meeting experience that keeps the focus solely on participants. No distractions, just effortless collaboration.

A simple way to join and collaborate

Intimate huddles are about connecting with people, not fumbling with cables. Simplified one-touch join means you get a familiar and consistent user experience on nearly all the leading cloud video services.

Easy setup. Flexible connections.

Streamline your conferencing experience with this PoE-enabled all-in-one video bar, purposely built for smaller spaces. Enjoy flexible configuration options and easy management through HP Poly Lens.

Purposefully Designed. Responsibly Made.

Containing at least 50% recycled plastics[1] and shipped in paper-based packaging[2], this all-in-one video bar enables more impactful meetings in small rooms with less impact on the environment.
