HP Poly Studio V12

Product Brief

Turn any small room into an AI-driven AV experience with the HP Poly Studio V12 USB video bar.

A smarter way to collaborate

Equip your small meeting spaces with a USB video bar that boasts a 20MP 120° FOV camera built with impressive image quality. Smart camera and audio technology power meeting equity, ensuring a smoother hybrid meeting.

Small room, simple setup

Simplify deployment by choosing a power method that fits into your room. Compatible with leading platforms and equipped with built-in speaker, microphone, and camera, this video bar is quick to set up and easy to use.

Enterprise grade management

HP Poly Lens remote device management gives you better visibility into workspaces across the entire organization. With multiple ways to manage, IT professionals can remotely monitor, update, and troubleshoot HP Poly devices on their own terms.

Built for a better tomorrow

Containing at least 65% recycled plastics[1] and shipped in paper-based packaging[2], this USB video bar enables more impactful meetings in small rooms with less impact on the environment.

Optional Accessories

- HP Poly Studio R30/USB/V12 Bluetooth Remote Control
